

# GOOD NEWS, NIGERIA!

*"There is too much bad news to justify complacency. There is too much good news to justify despair."*  
- Donella Meadows

Despite the state of our nation, there remain men and women contributing to the economic development of Nigeria and a better quality of life.

**#OnePerson can and does make a difference!**

Here is a roundup of some *good news* from **May 24 - 31, 2021.**

## FIRST SUCCESSFUL LAPAROSCOPIC SURGERY IN THE NAF

On **Friday, May 28<sup>th</sup>**, a surgical team led by Sqn Ldr Ismail Tsauni of the Nigerian Air Force (NAF) Hospital, Abuja **successfully carried out a laparoscopic surgery on a 54 year old patient who had gallbladder stones.**

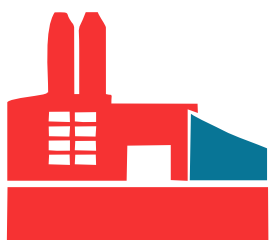

## ABU STUDENTS WIN GLOBAL CLOUD AND ARTIFICIAL INTELLIGENCE COMPETITION

3 Ahmadu Bello University (ABU) students - Dahir Muhammad, Mustafa Jimoh and Khalifa Muhammad - won the Global Cloud and Artificial Intelligence Competition. They defeated 150,000 students drawn from 2,000 universities in 82 countries.

## GOOD MESSAGES ON THE STREETS OF LAGOS

On **Friday, May 28<sup>th</sup>**, we took pictures of banners bearing messages of hope and inspiration displayed in some parts of Lagos. We think a **good Samaritan** was at work to raise the spirit of Lagosians! Thank you!

## NEWLY BUILT 45,000 TON CASSAVA PROCESSING PLANT IN RIVERS STATE

A newly built 45,000 ton cassava processing plant to produce 12,500 tons of flour per annum has been inaugurated in Rivers State. The project that was funded by Shell and the Rivers State government will engage 3,000 farmers. With this development, Nigeria will reduce its N100bn expense on importing starch.

## BOKO HARAM TERRORISTS, NEUTRALIZED IN RANN, BORNO STATE

On **Friday, May 28<sup>th</sup>**, troops of the Nigerian Army **successfully neutralized ten Boko Haram terrorists in Rann, Borno State.** They also destroyed a Boko Haram gun truck & recovered multiple weapons including one anti aircraft gun, two machine guns & eight AK-47 rifles.

We are all dealing with bad news on a daily basis, and the effects of the trauma will not be fully understood for many years to come. We are committed to curating **good news**, so share your **good news** with us!
