

JÍ MÁ SUN! Wake Up Lagos!

LGA Elections = Local Power

Despite handling the services that affect citizens most directly, local government elections attract shockingly low turnout. This civic neglect has real consequences.

COMPARATIVE TURNOUT (2019 vs 2021 vs 2023)

ELECTION	REGISTERED VOTERS	VOTES CAST	TURNOUT (%)
2019 Governorship	6,570,291	953,940	14%
2021 LGA	6,570,291	271,914	4.14%
2023 Governorship	7,060,195	1,172,691	16.6%

From 14% in 2019 (Governorship) to 4.14% in 2021 (LGA) = 71.5% drop.

What will the numbers look like this year?

2021 LGA ELECTIONS

Even the top-performing LGAs did not exceed 15% turnout!

When local government works, you notice.
When they don't, you suffer.
That's why your vote matters.

Accountable leadership changes lives, yours included!
