

GOOD NEWS, NIGERIA!

The nation grows when citizens and the government play their respective roles in economic development. Behind every good act are simply men and women being productive in their different capacities.

#OnePerson can and does make a difference!

"The nation needs men who think in terms of service to their country and not in terms of their country's debt to them."

- Omar Nelson Bradley

(Former United States Chairman of the Joint Chiefs of Staff)

LOUISIANA STATE UNIVERSITY NAMES AISHA ALI-GOMBE, CENTER DIRECTOR

Aisha Ali-Gombe, Associate Professor of Computer Science & Engineering at **Louisiana State University** has been appointed the **Director of the university's Cybersecurity Clinic**.

Her appointment follows a recent award of **\$1.5 million** from the United States **National Security Agency (NSA)** for the university to create a Cybersecurity Clinic to protect small businesses from cyberattacks.

Big congratulations to her!
