

EiE Nigeria has officially flagged off its 2022-2023 elections campaign - **#MakeNaijaWork** under the aegis of the group's flagship initiative **#RSVP** - Register | Select | Vote-not-fight | Protect.

The 13-month multilayered campaign kicked off on **February 2, 2022**, with a series of media engagements, including a **Twitter Spaces** Conversation.

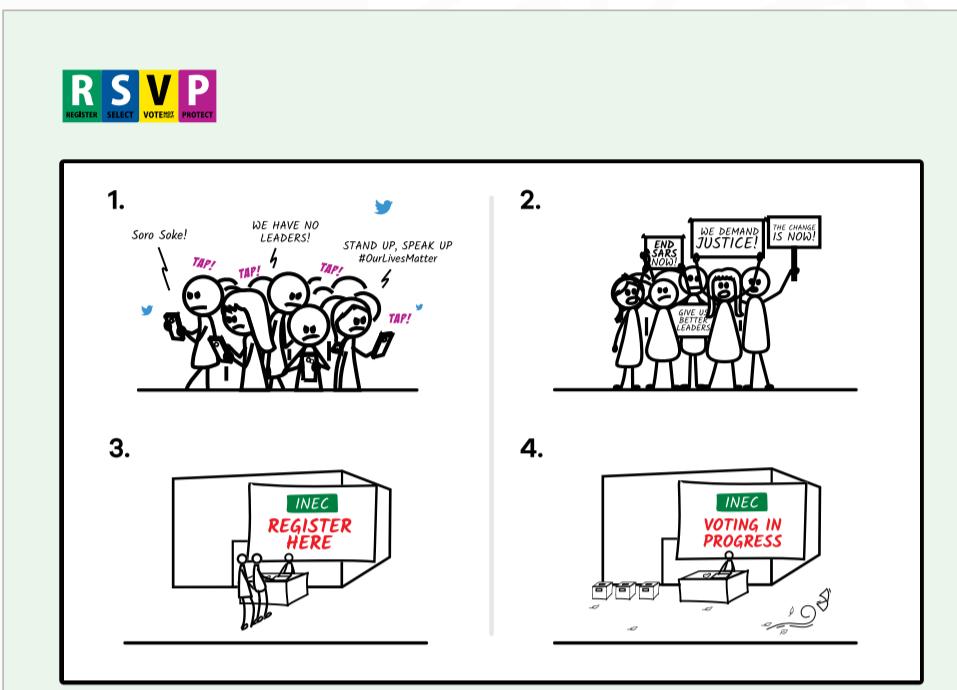

Strategically launched in the month of love, **#MakeNaijaWork** is a dire call to Nigerians to rekindle their **love for the nation** and seize the golden opportunity to decide and elect credible leaders by registering to vote and selecting candidates based on **defined criteria** - courage, compassion, competence, capacity & character.

**Person wey no go school get PVC, u wey read the whole Cambridge no get.**

Bros, u sure sey the school pass thru u?  
**NAIJA BE WISE!!!**

**Registration ends on June 30<sup>th</sup>**

**Without the right action, even the greatest protest is but a spectacular performance!**
